Mme. Sarpy,

Please forgive the delay, but I wanted to send you a copy of the full preliminary program for the French Colonial Historical Society meeting. Our meeting as always features scholarly papers on the French colonial experience, from the seventeenth century until the modern period and in all parts of the world. We wanted to ask the Consulat to join us in sponsoring the reception planned at the Cabildo on Friday evening, honoring the scholars from Francophone countries (including former colonies; I have marked those scholars' names on the program with an asterisk). We had planned to provide hors d'oeuvres and hoped that you might be able to provide the wine. We expect a maximum of about 100-125 people.

Thank you for your consideration,

Patricia Galloway
